RCDA PURCHASES NEW INDUSTRIAL PARK PROPERTY!

NEW BUSINESS SPOTLIGHT!

Exciting things are happening for the owners of The Southern Kitchen! This hard-working duo began their business leasing the commercial kitchen at The Homestead Community & Events Center in Dailey on weekends in February. They're already expanding and relocating to a more permanent space at 1100 Beverly Pike in Elkins. In addition to a variety of catering options they've added Paint, Sip & Dip and Little Baker classes to their repertoire!

Industrial Park Expansion

The RCDA is excited to announce the purchase of a 74+ acre tract within the City of Elkins for additional industrial park development. The process is well underway to hire an engineering firm to assist with master planning, placement of utilities and roads, permitting, and funding applications. "Our board of directors acted swiftly to obtain the IOOF property as it became available," said Robbie Morris, RCDA's executive director. "The location of this property in relation to our current industrial park, and the rail access at that location make it an ideal addition to our property inventory."

EXCITING COMMUNITY PROJECTS UNDERWAY:

- A Healthy Market and "farmacy" opens at Davis Health System
- \$16 million renovation of the historic five-story Tygart Hotel into a 50-60 room boutique hotel with meeting areas and other amenities
- Engineering RFQs submitted for Huttonsville Commerce Park site
- Work is ongoing for the City of Elkins' Riverfront Development Master Plan

RAMPS & RAILS FESTIVAL is BACK!

After a two-year hiatus the aroma of everyone's favorite wild leek filled the air at the Elkins Town Square once again as the **Ramps & Rails Festival returned in April!** Festival organizers reported record attendance as foodies galore filled the Square to get a taste of their favorite ramp-filled offerings. Live music, craft vendors, and train rides rounded out the perfect weather day. Find out more about the events taking place throughout Randolph County [here!](#)
